LIFE INSURANCE

Whether you've just said "I do" or you're wrangling a growing family, LifeMap covers every stage of the journey. Feel confident that your loved ones' welfare is well protected—even when you're gone.

WHAT TO EXPECT

Think of Voluntary Life Insurance as a financial safety net for your family's way of life.

1 A silver lining in bad news

If you're diagnosed with a terminal illness, you may be able to get some of your benefit right away. Use the money to cover lost wages, pay for medical care or complete your bucket list. If you die from unintentional causes and haven't taken an early benefit due to terminal illness, your full coverage amount is paid directly to designated family or friends.

2 Compassion, not roadblocks

Loved ones can expect caring support and claims guidance, not roadblocks and piles of paperwork. It all starts with a simple phone call.

3 Now what?

The money you've provided will be sent directly to your beneficiaries, in one check. They can use the money for mortgage payments, college tuition or anything else they need.
